THE HENDERSON DIFFERENCE

ABOUT HENDERSON

HENDERSON is a values-driven, Houston-based manufacturer and aftermarket solutions provider of drilling rigs and capital equipment. Culture is the driving force behind the HENDERSON brand, and what makes all the difference. Truth and transparency drive our decision-making; while hard work, hustle, and promise-keeping turns unsuspecting prospects into lifetime customers. We do the right thing and we do things right.

PEOPLE

We believe our employees will treat our customers how they are treated as employees. We understand that people are the most important aspect to building a successful, sustainable company and culture. We empower and invest in our people, and provide them with the tools and resources to perform quality work efficiently and safely.

QHSE

HENDERSON recognizes the health, safety and wellbeing of our employees, contractors, vendors, and visitors as top priority. The satisfaction of our customers and the protection of the environment are the key drivers of our business. Our entire organization is focused on achieving these goals openly and transparently.

"It's not what we do, it's how we do it."
